For one week, Bachelor's and Master's students as well as graduates, doctoral students and postdocs from all faculties have the opportunity to network with employers and discover suitable career and entry opportunities. An exciting program with a variety of numerous formats awaits them.

The career fair will take place on March 19, 2025, with employer booths in the atrium. For Law, Consulting and Banking we offer the popular career speed dating format Meet & Greet.

A new fair will be organised for the Faculty of Mathematics and Natural Sciences on 25 March 2025 in Irchel, by the Irchel Student Association at the Irchel campus, in partnership with UZH Career Services.

The Faculty of Psychology will not miss out this year either - at the Event "Psychology and then?" on 25 March 2025 you will have the chance to meet prospective psychologists!
