

LONG NIGHTS OF CAREERS 2025

Organized by UZH
Career Services

NOVEMBER 12th – 13th

**OFFER FOR EMPLOYERS
AT THE UNIVERSITY OF
ZURICH**

THE EVENT

The **Long Nights of Careers** (LNoC) is the largest employer branding event at the University of Zurich (UZH) and our annual highlight in the fall. We are looking forward to organizing the event together with you and to welcoming you on **November 12th and 13th**, 2025, i.e. on two evenings.

The event is aimed at students of all levels, PhD candidates and postdocs of all faculties. Over the course of two evenings, attendees will have the chance to explore potential pathways for their professional future in a relaxed setting and to enter in an informal exchange about career possibilities with employers.

As employers, we want to involve you as experts in our program. In this respect, the LNoC differs from conventional recruiting events in which employers act as recruiters. This year, we at UZH Career Services want to make the exchange between employers and students more **playful**. You can find some ideas below in the dossier.

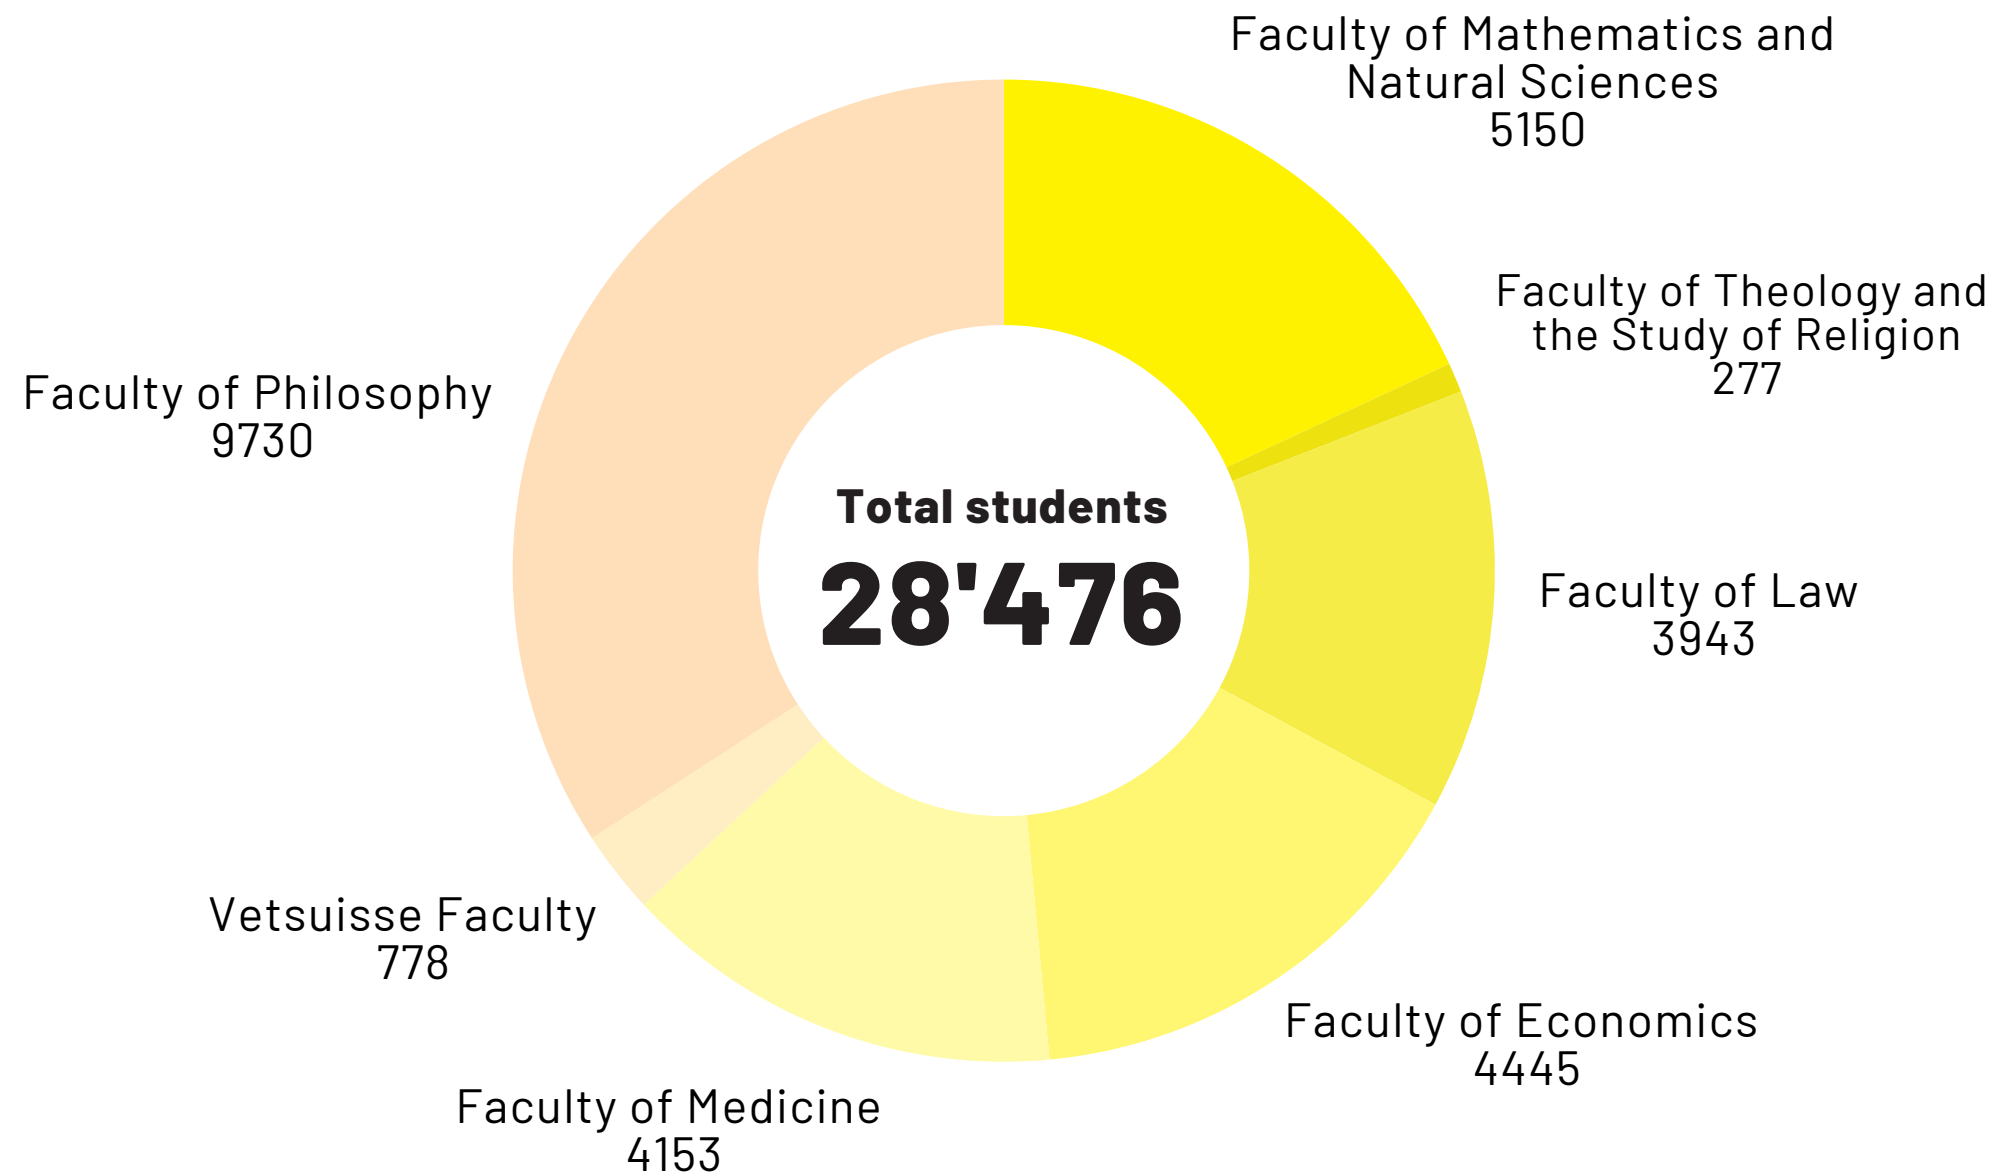

The LNoC offers all participants a high-quality, exciting and entertaining program in a relaxed setting. The LNoC spans across diverse locations throughout Switzerland.

We look forward to seeing you there!
